

Introduction to Occupational Therapy

Discover
Brunel

We're delighted you're considering joining our friendly student community at Brunel University London.

Studying occupational therapy at Brunel helps you learn to play an active role in understanding and improving the lives of your patients. You'll also benefit from 28 weeks of practice placements on your degree and access to purpose-built occupational therapy facilities which mirror real clinical environments.

Our lecturers have put together the following information to help you prepare for your course. This will give you a snapshot of the materials and reading list you'll be using. You'll get a full breakdown of information before you enrol.

On our website you can also [find out more about your modules](#) and [chat to a current student](#).

If you have any more questions, [please get in touch](#).

We look forward to welcoming you to Brunel.
